

Resources for Universal Waste

Municipal Resources: state contract, roundtable notes, contact information

1. State Contract- lamps recycling (also including ballasts, dry cell batteries & mercury devices)

Company holding contract: NLR until November of 2024

Resources: Department of Administrative Services has a search engine that can provide current information on New Hampshire's Lamps Recycling contract and who is the current vendor that holds it.

Link for search engine:

<https://apps.das.nh.gov/bidscontracts/contracts.aspx>.

Note: Simply type "lamps" into the contract description box and you'll always be able to find it.

2. Contacts for NH Universal Waste disposal and information.

a) NHDES- Rules and regulations for universal waste handling & disposal.
