7:00-7:05 Minutes

Review and approve minutes from January 31, 2017

7:05-7:25 Review Profile Lake wetlands project - Franconia

- Construct a walkway ADA accessible along Profile Lake eastern shore
- Boardwalk ~ 600' partially over water to enable visitors to walk from Old Man viewing area to southern tip of lake
- Tourist attraction sponsored by Friends of the Old Man and DRED

7:25-7:40 Salt shed relocation – Plymouth Highway Department

- Issues related to proximity to Pemi.
- Status and Site Walk – Bolton

7:40-8:05 Northern Pass

Summaries of NPT Technical Sessions attended in Concord by representatives:

- 2/14 – George Sansoucy, engineer representing 14 towns. Viable alternatives to NPT; underutilization of existing capacity; several “underground” construction issues; property tax revaluation issues. Gretchen, Barry, Max.
- 2/22 – NPT panel on DES responses (application issues). Gretchen, Barry, Max
- 2/24 – Deerfield abutters plus several other intervener groups. Gretchen, Barry
- 2/27 – London Economics International. Presents revisions to original NPT proposal benefits. Max

Anything of interest on NPT from members.

8:05- Other

- Election of officers – March, April
- Just Received – Shoreland Permit Application File # 2017-00497 – Campton. Residential construction. Organize site visit team – comments due March 14.
